- 1 Hover over your name and select **Account Settings**.

The screenshot displays the Hudl web application interface. At the top, a navigation bar includes the 'Bulldog Varsity Football' logo, links for Home, Video, Highlights, Playbook, Stats, and Performance Center, and a user profile section for 'Brian Campbell' with a dropdown arrow. A search bar is located on the right side of the navigation bar. Below the navigation bar, the main content area is divided into three columns. The left column features a user profile card for 'Brian Campbell' with a 'View Profile' link and statistics for Views (2), Followers (0), and Following (0). Below this is a section titled 'DOCUMENT SHARING MOVED TO MESSAGES' with a date of 'June 21st 2016' and a link to 'How to share documents using Hudl messages'. The middle column shows a video post titled 'The Opening' with a play button icon and a description about the eleventh of The Opening Regionals events. The right column displays a 'SUGGESTIONS' section with a list of recommended content, including 'Nike Football', 'Football Highlights', 'Hudl Top 5', 'The Opening', 'STACK', and 'Jacob Watson'. An orange arrow points to the 'Account Settings' option in the user profile dropdown menu.

- 2 Update your name, phone number, email, or password and click **Save Changes**.
