### What's My Password?

You must first know which email your coach has on file. Then, you can [reset your password here](#).

### My Login Isn't Working

A coach must first add you to the team's roster and include your **email address**.

You should receive an **email from Hudl** with instructions to set up your account.

### I Haven't Received My Login Info

Two things might be happening:

#### Our email is getting spam/junk filtered

1. Check your email Junk or Spam folder for email from "Hudl".
2. Move it to your inbox and mark it 'Not Spam'.

#### Your coach mistyped your email

1. Contact your coach. Let them know you didn't get an email with your login.
2. Have them double check your address on the **Manage Roster** page.
